HELEN THOMAS
ASSISTANT PRINCIPAL

Dear Class of 2012,

It is with pride and some sadness that I wish you farewell from East Windsor High School. Pride in your accomplishments as a class, and sadness that we did not have more time to get to know each other. You have proven to be a wonderful class, one of East Windsor's best, and while your four years within the walls of our school have been eventful, you are all destined to do more.

Some of you may be planning on attending college, joining the workforce or enlisting in the military. The education you have received in East Windsor will serve you well in your preparations for your next step. You will be leaving the safe confines of these high school hallways and stepping into the "real world". Such a step can be scary and intimidating. As you begin that journey, remember this: You are ready. You are prepared. We will always be there to support you.

Mahatma Gandhi said "be the change you want to see in the world." Your actions, what you do every day, define who you are as a person. The best way to create positive change is to model that change through your own actions and behavior. We will be eagerly watching to see how your actions will influence our world in a positive way.

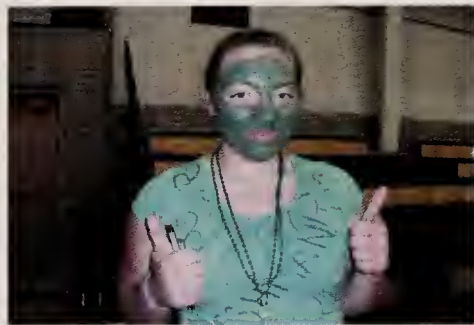

We are already proud of your accomplishments here at East Windsor High School, and we know that we will continue to be proud of you in the future. Best of luck, Class of 2012!

Sincerely,

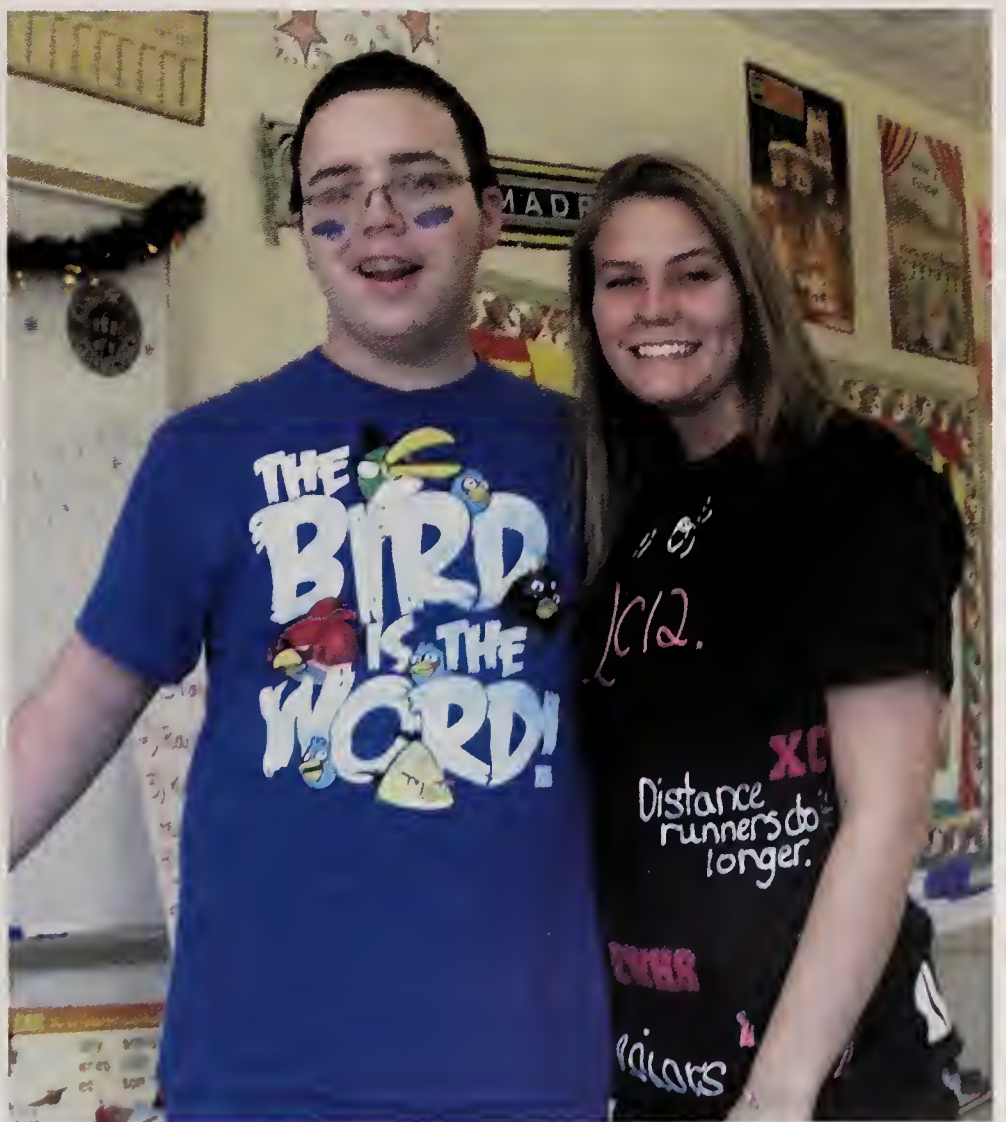

Edward Keleher
Principal

The class of 2012 is pleased to dedicate our yearbook to Mr. George Thomas. As our Physical Education teacher and class advisor for four years, we can think of no other faculty member that knows us as a class better than Mr. Thomas does. With his infallible sense of humor and teasing disposition, he enriched many gym classes with fits of humor, which undoubtedly kept us gasping for breath and our hearts beating regardless of whether we were running or not.

Willing to go above and beyond his job description, the students of East Windsor High School can always count on Mr. Thomas. Whether you need another cheering fan in the bleachers, help at a fundraiser, or just someone to talk to, Mr. Thomas is always there. His support is genuine and serves as a testament to the hard work he puts into all that he does. The graduating class of 2012 would like to thank Mr. Thomas for making our time in high school memorable and special.

“Destiny is not a matter of chance; it’s
a matter of choice. It is not a thing to
be waited for; it is a thing to be
achieved.”

Class of 2012,

It seems just like yesterday when you walked in as shy freshmen and now as confident seniors you are graduating from East Windsor High School. It has been a privilege to be your class advisors. We have been able to watch each of you grow and when you may have stumbled another classmate was always there to support you. It has been four great years with your smiling faces, your willingness to help, and your genuine friendliness. The Class of 2012 will always be remembered as a unified class who worked together to achieve greatness.

Your class quote is an eloquent description of who you are and the choices that you have made that have helped you to reach your graduation day. Be sure to remember this quote as you continue on in your lives whether it is furthering your education or joining the military or workforce. You have the power within you to choose your goals and to achieve them. Be passionate about the goals that you are pursuing. Work hard and have perseverance as goals worth accomplishing seldom come easy. The Class of 2012 will have a wonderful impact on the world and will achieve many great things. Thank you for all that you have contributed to East Windsor High School to make it a great place to learn and work. We wish you the best!

George & Helen Thomas

Class History

By: Patrick O'Konis, Class Historian

The fall of 2008: it was the start of something incredible, the greatest thing to happen to East Windsor High School, the first day of freshman year for the class of the 2012.

Most people think back to their freshman year with memories of anxiety and nerve-racking experiences, but that's not really the story with our class. Unlike students before us, we came in with confidence. We wanted to be the best class since the first day we walked into the building. With the help of our principals, Mr. Chambers and Mr. House, and vice-principal Mrs. Barmak we strived for greatness. To put our class on the map, we experimented with new fundraisers like the Donation Dots and a booth at Community Day. If that didn't do it, the intense Penny War versus the senior class sure did. The atmosphere of competition and school spirit was overwhelming in our class. The most persistent question in our minds throughout the year was "What can we do to make sure we would be unforgettable?"

We felt the same way as we walked into the school as sophomores. However, we were not at the bottom of the totem pole anymore. And with a brand new administration of Mr. O'Reilly as principal and Mr. Sierakowski as vice-principal, we wanted to show we were the number one class in this school. We proved this at each of the pep rallies that year. We had possession of the panther; our class had representatives from every club, and we almost won the spirit competition, but were instead controversially given second place. But the losses only fueled our goal. Because of this pep rally, we were dubbed the Sexy Sophomores. The Sexy Sophomores that year had some great memories from the Jake's Fundraisers, receiving class rings, and even for some of us the Hershey Field Trip. Throughout all our different experiences that year we were united in our desire to be superior.

Now approaching our junior year we were more than excited. We now had a familiar face on our administration staff in Mrs. Thomas as our vice-principal and we were a step closer to finding our place at the top. We had pushed the envelope in terms of school spirit and brought it to a whole new level. The pep rally that year brought incredible memories from bringing in the panther from all the guys dressing up as Deal or No Deal girls to compete in a skit. We felt like we were the leaders of the school. We had many memorable events that year: car washes, homecoming, and sports games, but the one that clearly sticks out is our Junior Prom. Junior Prom was held on May 6, 2010 at Maneeley's, and the stunning Wesley Velazquez and gorgeous Demitria Estrada were crowned King and Queen. But most importantly it featured the greatest thing ever created: the chocolate fountain. It was an unforgettable night. I think it's safe to say that junior year was full of extraordinary memories.

The year is now 2012. We are now on top. We finally did it, we finally are seniors! Our new administration in Mr. Keleher as principal and our returning (yes, returning!) vice-principal Mrs. Thomas wanted to give us the most memorable year yet, and so far we've had some pretty fantastic memories. We won the big pep rally, again bringing in the Panther. We also won the unbelievably intense Powder Puff Game and had the best male cheerleading team this school has ever had. There are even more memories to still have: the incredible Mr. East Windsor, Senior Outing at Brownstone, Senior Banquet, the Graduate and Celebrate Party, and of course Graduation. The class of 2012 - we've had our rough times, disagreements, and falls, but we always came back as one class. One unified class. That's what made us different. Not our competitive nature, but our unity. I know wherever we will end up we always have the connection of being one. Now let's go make our own history! Seniors of 2012!

**In Loving Memory of Joe Schweitzer
(March 26, 1993 - December 11, 2008)**

If you ever needed someone to speak their mind and give you their honest opinion, it was Joe. Even if it wasn't exactly what you wanted to hear, he knew how to express the truth. Joe was someone you knew you could tell your problems to and he would know just the right thing to say or do to make you feel better or even get your mind off of it. Whether it was going for a bike ride or just sitting around listening to Avenged Sevenfold, you felt comforted knowing he was there.

Joe was a son, brother, and an amazing friend. His disregard for others thoughts and opinions of him made him strong and confident. When he set his mind to something, he could accomplish anything. Joe knew he only had one life so he lived his to the fullest. Any chance he was given, he would take. Those are qualities that will never cease to inspire just as Joe is someone we will never forget.

Joe, we'll always love you with all our hearts and will continue to keep you in our prayers. Rest in peace.

Brendan Elliott

"This year's team was very young, but I feel that we have accomplished more than any other team I've been a part of in my high school career. This was my favorite team to be a part of."

Junior Midfielder/Forward

Kevin Briggs

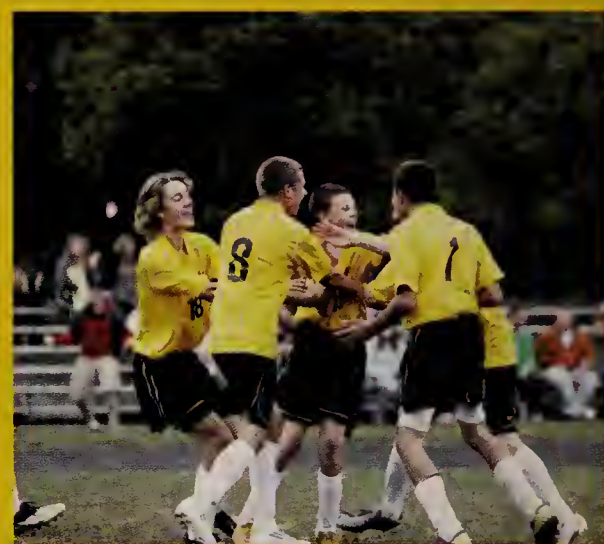

"Our team chemistry was very strong and I am looking forward to next season with the seniors that we have."

The 2011 season was led by first year varsity coach, Michael Mosher, who did an outstanding job of bringing a team with little experience to win three games and tie against Enfield. Our season highlights include a strong 3-2 win over Windsor Locks and a hard fought game against Enfield. Captains Brendan Elliott, Zachary Ames and Kevin Briggs along with strong senior leadership from Pat O'Konis and Zachary Hannon helped build a foundation for the future which looks bright in the years to come.

Sophomore

Nicole Elliott

"We came together as a team more than ever, I am looking forward to seeing what the team can accomplish next season"

With four returning seniors and sixteen underclassmen ready to play, the Panthers were ready for a win. Coach Bill Arzt lead the team to a 1-15-1 record beating SMSA and tying Stafford. Although the record did not show it, the team's continuous improvement showed as the season progressed. For the seniors, Demitria Estrada, Alex George, Becca George, and Morgan Zeiler the win versus SMSA and the tie versus Stafford under the lights in overtime will always be remembered. Although the season contained its ups and downs, many are looking forward to what is in store for next year.

"This season was eventful. We had a great season. And I won't forget the state meet in the snow storm."

Senior

Autumn Allen

"We had a great season, the entire team worked hard and there is a lot of talent on this team."

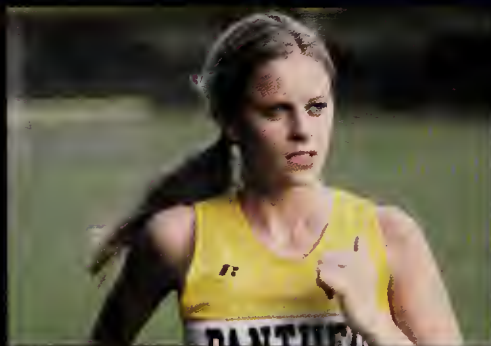

The boy's cross country team had a great season this year. The team improved immensely over the previous years. At the conference meet in Windsor Locks they ran a great race and beat 5 teams, finishing 9th. A week later, the states meet was held at Wickham Park. The team ran through freezing, snowy conditions to finish 14th in Class S. The team was comprised of mostly freshman and sophomores, and Coaches Ward and Lengyel are looking forward to next year.

Sophomore, Aaron Graef, finishes the last lap of his race in Windsor Locks.

Matt Graham

"This season was the best one out of my three years of playing, we had our ups and downs but we pulled through and made it to states. Good luck to the team next year have fun."

The boys basketball team had a very successful season by making the state tournament for the first time since the '07 season. Seniors Matt Graham and Rick Reilly along with the rest of the team, put in a great amount of effort in order to win some big games and to become a strong force in the NCCC conference. The team is very young and has a lot of potential to become state contenders for years to come.

Girl's Basketball

Maira Pantoja

Senior

"The season was tremendous, the best of my 4 seasons as a high school player. I can't wait to see what the girls accomplish next year. This year we made it evident to our peers and the public that as a team we are strong, unselfish and determined to win the Class S state championship next year."

Allison Rodrigue

Junior

"This season contained our first tournament berth since 2005. Since we only have one senior, all players will be returning next year, to pick up right where we left off."

With a young team, many did not know what to expect out of this year's girls basketball, however this team proved to be a strong competitor in all their games throughout the season. The team was led to their first tournament berth in seven years by coaches, Bob Lengyel and Melissa Maltese. The team's hard work in the off season prepared them for this season. They finished the season at the .500 mark, achieving eleven wins and eleven losses.

The girls state tournament berth brought them to Putnam, where they defeated the Lady Clippers by 25 in a team effort. Melissa Wabble led the team with four 3-pointers. The Panthers then traveled to New Haven to take on Hyde Leadership. Despite the girls effort, the Howling Wolves came away with the victory.

Losing only one senior, Maira Pantoja, spectators are excited to see what the team has in store next year.

Demitria Estrada

"This season was great for the girls. We did the best we have ever done at NCCC. The boys also had a great season, breaking many records.# "

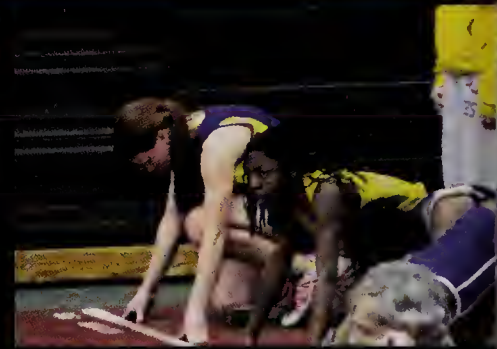

This year was another successful year for indoor track team. We had a solid turn out for both our girls and boys team. The Seniors stepped up their game and led the team well. The girls had a very successful year, with many of them qualifying for NCCC and the State meets. The boys did well and had athletes qualify and place at big Invationals. The team was able to set several new school records. It will be exciting to see what this young team will do next season.

Pawel Kluk

Senior

"This year was a good year for all of us. Our hard work in the off season turned into success."

Last year, the team ended the season with a 6-7 record, and lost three valuable seniors. This year, the very young team managed to again go 6-7, and took third at the NCCC tournament as a team with seven wrestlers placing in the top four, and Junior Capitan Sonny Chaleunphone even made it to the finals. Senior Capitan Kyle Conley ran into hardship with a major ankle injury, but he persevered through it to finish the season with the best record on the team. Senior Capitan Pawel Kluk also led a successful season, with his hard work reaching its peak during the State Tournament in Haddam-Killingworth. The young team has potential for next season, with a strong varsity lineup supported by the equally strong JV lineup there to encourage and push their fellow wrestlers.

The 2012 season proved to be a great success for the girls track team. We had a lot of new faces come out and participate and they were amongst the most competitive teams in the conference. Bill Kehoe

Senior Pole Vaulter

"I am very excited for this year's track season. We have many talented and passionate athletes who will make the season successful and enjoyable."

Patrick O'Konis

Senior Hurdler

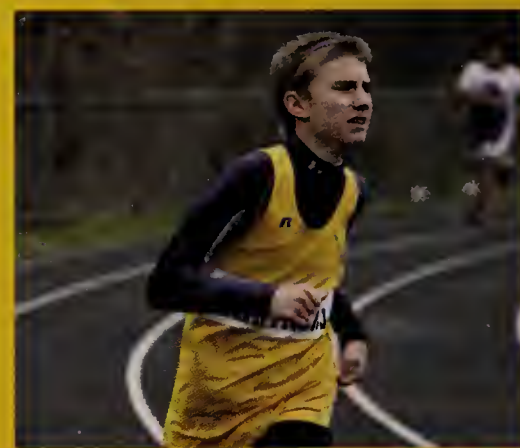

"I feel that our team is on the right track for success in our given field of competition. This is our season."

This season brought much positive change to the team with new boys coach Mike Mosher and returning head coach Dan Ward. As former East Windsor High School graduates, both have a great understanding of the team and what could be accomplished.

The team had multiple placing relay teams and swept many field events over the season. The team had strong victories against local towns, such as Windsor Locks, Somers, and Stafford. The team only could have succeeded in this with the hard work and determination that East Windsor students have become accustomed to.

Records were broken, neighboring teams were beat, and a true team was made. We expect more of the same next year and for many years to come.

Junior Trevor Muska finishes the last leg of his race.

Junior, Ryan Bagdikian, throws the discus.

Tyler Gibbs, junior, sprints the last leg of the relay.

WAVES OF CHANGE Former Egyptian President Hosni Mubarak, who had been in power since 1981, was ousted in 2011.

He was later put on trial for allegedly ordering the killing of protesters. **EGYPTIAN PROTESTERS** Waving their national flag and shouting slogans, thousands crowded Cairo's Tahrir Square to demand political change as anger grows with the military rulers over the slow pace of reform. **TOGETHER IN PROTEST** The flags of Syria, Tunisia, Yemen, Egypt and Libya were painted on participants' palms during a demonstration in Yemen.

ARAB SPRING

PROTESTS ACROSS THE MIDDLE EAST brought changes to Arab nations large and small. Uprisings began in Tunisia, where, as 2010 ended, a young vendor protesting the confiscation of his wares set himself on fire. Discontent spread to Egypt and Yemen as 2011 began, and in the months that followed those governments and leaders from Bahrain, Libya and Syria were under siege. By year's end, the presidents of Tunisia, Egypt and Yemen had stepped down and Libya's Moammar Gadhafi and his son Mutassim had been assassinated. Tunisians went to the polls in October 2011 and the Egyptian election took place just a month later. The protests continued despite high costs: thousands of lives (5,000 in Syria alone) and billions of dollars were lost.

10 YEARS LATER Dedication ceremonies for the families of victims marked the anniversary of the attacks on the World Trade Center, while the 9/11 Memorial on the 16-acre site of the former WTC complex opened to the public the following day. Despite interest rates as low as 4%, home ownership continued to decline. **OCCUPY WALL STREET** After gaining the world's attention with an online presence in addition to gathering in NYC's financial district, protesters disturbed by growing income inequality and wealth distribution in the United States between the wealthiest 1% and the rest of the population replicated occupations from coast to coast. **POTENTIAL GOVERNMENT SHUTDOWN** The Budget Control Act of 2011 was passed on August 2, bringing a conclusion to the debt-ceiling crisis, which had threatened to lead the United States into sovereign default. **STONE OF HOPE** The August, 2011 dedication of the Martin Luther King Jr. Memorial in Washington, DC honors Dr. King's contributions and vision for all to enjoy a life of freedom, opportunity and justice. **UNEMPLOYMENT** While January 2012 data showed a national unemployment rate of just 8.3% — the lowest in more than three years, economists warned that the encouraging report might be the result of factors like discouraged job seekers giving up the hunt for work as much as economic growth.

GOOD-BYE HARRY POTTER

THE END OF AN ERA Harry Potter's movie franchise came to an end with the release of its final installment in July 2011. The series became the highest grossing franchise in domestic box office history, accumulating \$2.4 billion in America and \$7.7 billion worldwide. Though we have to say good-bye to Harry and friends as the Potter films come to a close, Muggles can continue to enjoy the world of Harry Potter through the additions of the Wizarding World Theme Park at Universal Studios in Orlando, Florida and JK Rowling's new online experience, Pottermore.

ADELE Billboard's Artist of the Year released her second album, *21*, which immediately topped the charts and remained there for 13 weeks to become the year's best-selling album. An October vocal cord hemorrhage required microsurgery, forcing the 21-year-old Brit to take a break from performing, but she sang at the Grammys where her six nominations turned into six wins.

MARVEL-OUS SUMMER

TOP OF THE CHARTS Superhero films made a huge splash in the summer of 2011, topping the box office charts with their debuts. **STAY FOR THE CREDITS!** If you stuck around at the end of *Thor*, *Captain America* and *Iron Man*, you would have gotten a sneak peak at the upcoming *Avengers* movie where all three characters will join forces.

Once an agreement was reached, the players won additional benefits; the continuation of a 16-game regular season schedule, improvements in player safety and increased injury protection. IT STARTED SO INNOCENTLY. IT consultant Sohaib Athar (@ReallyVirtual) had moved to remote Abbotabad, Pakistan to escape the rat race. On May 1, 2011, he tweeted about a late-night military operation involving helicopters hovering over the city. While Navy Seals were involved in a firefight on Osama bin Laden's compound, Athar was lightheartedly complaining that the copters were keeping him awake. Unknowingly, he was the first to report the mission using Twitter. The attack on the 38,000-square-foot compound was followed by bin Laden's burial at sea.
